Here's a sample chapter from *Burnt Toast and Other Disasters*:

***“I've always loved to cook. But I'm not exactly a natural. In fact, I'm more like a kitchen disaster waiting to happen.***

***One time, I was making a simple grilled cheese sandwich. I put the bread in the toaster, and then I went to get the cheese. When I came back, the toaster was on fire.***

***I panicked. I didn't know what to do. I grabbed the toaster and threw it in the sink. The fire went out, but the toaster was ruined.***

***I was so embarrassed. I had to call my husband to come and help me. He laughed at me, but he also helped me clean up the mess.***

***I've had other kitchen disasters too. I've accidentally added salt to my coffee, and I've even set the microwave on fire. But I've learned from my mistakes. Now I'm a much more careful cook.”***
