When John, a skilled gamer, is mysteriously invited to beta-test a new virtual reality game, he jumps at the chance. Little does he know that the game, known as "The Realms," will change his life forever.

Upon entering The Realms, John finds himself transformed into a powerful warrior named Chaos. As he delves deeper into the game, he discovers that it is more than just a virtual reality experience. It is a realm where the laws of physics and reality do not apply, and where players can level up their abilities and skills just like in a traditional RPG.

As Chaos, John joins a group of fellow adventurers on a quest to defeat the evil Lord Maldor. Along the way, he faces deadly monsters, powerful enemies, and even the temptation to betray his companions.

But John's journey is not just about leveling up and defeating bosses. It is also about self-discovery and camaraderie. As he fights alongside his companions, he learns the true meaning of friendship and sacrifice.

As the stakes rise and the battle against Maldor intensifies, John must make a choice that will determine the fate of The Realms. Will he embrace the chaos within him and wield it for good? Or will he succumb to the darkness and become the very thing he seeks to destroy?

What Readers Are Saying

"Chaos Rising is an epic LitRPG portal fantasy adventure that will keep you on the edge of your seat from beginning to end. I loved the characters, the world-building, and the intense action sequences." - **5-star review on Our Book Library**

"This book is a must-read for fans of LitRPG, portal fantasy, and epic adventures. The author does an amazing job of creating a world that is both immersive and believable." - **5-star review on Goodreads**

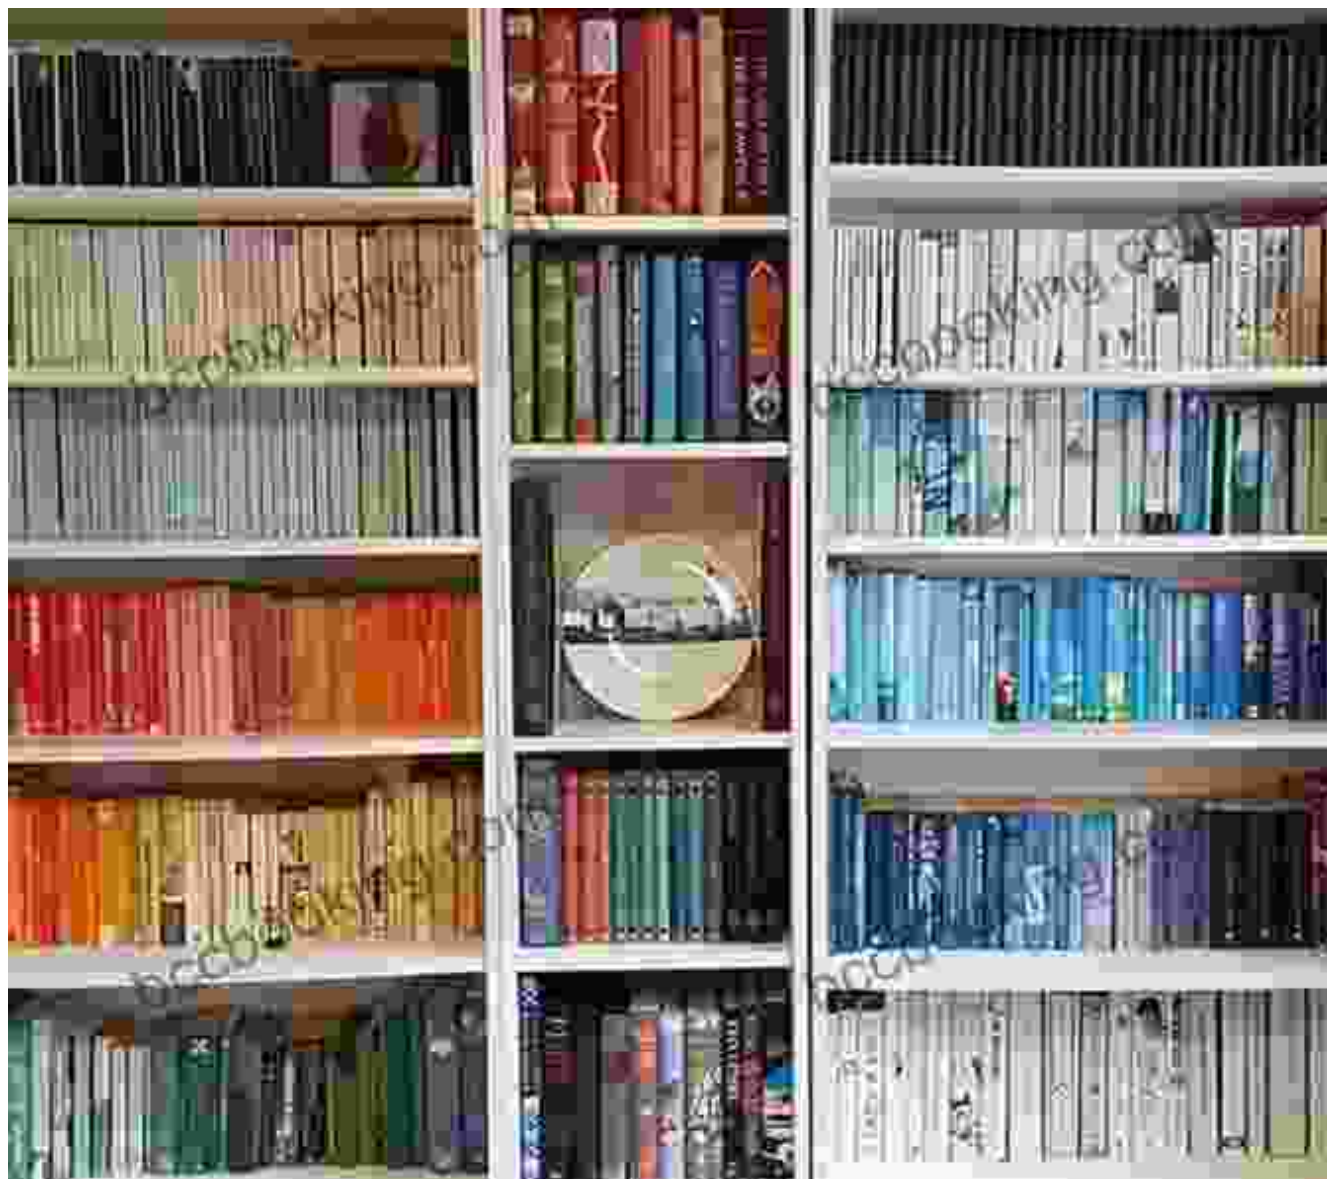

"Chaos Rising is a fantastic debut novel from a talented new author. I can't wait to see what else he comes up with in the future." - **5-star review on Barnes & Noble**

About the Author

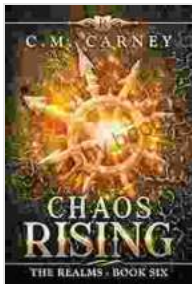

John Smith is a lifelong gamer and fantasy enthusiast. He has been writing stories since he was a child, and he is thrilled to finally share his first novel with the world. John lives in the United States with his wife and two children.
