

# Cruising World Yarns: Cap Fatty Goodlander's Tall Tales from the Seven Seas

Cap Fatty Goodlander is a living legend in the sailing world. With his trademark white beard, bushy eyebrows, and mischievous grin, Cap Fatty has been sailing the seven seas for over 50 years. He's a master mariner, a world-renowned author, and a sought-after speaker. But above all, Cap Fatty is a storyteller. And in his new book, *Cruising World Yarns*, he shares his most memorable adventures, mishaps, and lessons learned.

From his early days as a deckhand on a tuna boat to his solo circumnavigation of the globe, Cap Fatty has seen it all. He's sailed through hurricanes, been shipwrecked, and even rescued a group of stranded fishermen from a remote island. But through it all, he's never lost his sense of humor or his love of the sea.
