A Treasure Trove of Maritime Discoveries

Join renowned maritime archaeologist Dr. Eric von Cleve as he takes you on an unforgettable expedition through the captivating stories that have shaped two decades of exploration and discovery in South Carolina's coastal waters.

From the enigmatic remains of Revolutionary War vessels to the well-preserved hull of a Civil War blockade runner, each chapter delves into the thrilling adventures, meticulous research, and groundbreaking findings that have rewritten the Palmetto State's maritime history.

Immerse Yourself in the Depths of Discovery

Embark on a virtual dive with Dr. von Cleve and his team as they uncover the secrets of long-lost shipwrecks, uncover the identities of forgotten seafarers, and piece together the puzzle of our maritime past.

Witness the painstaking excavation of fragile artifacts, the exhilarating discovery of new underwater sites, and the awe-inspiring encounter with the remnants of a bygone era.

Unraveling the Mysteries of the Deep

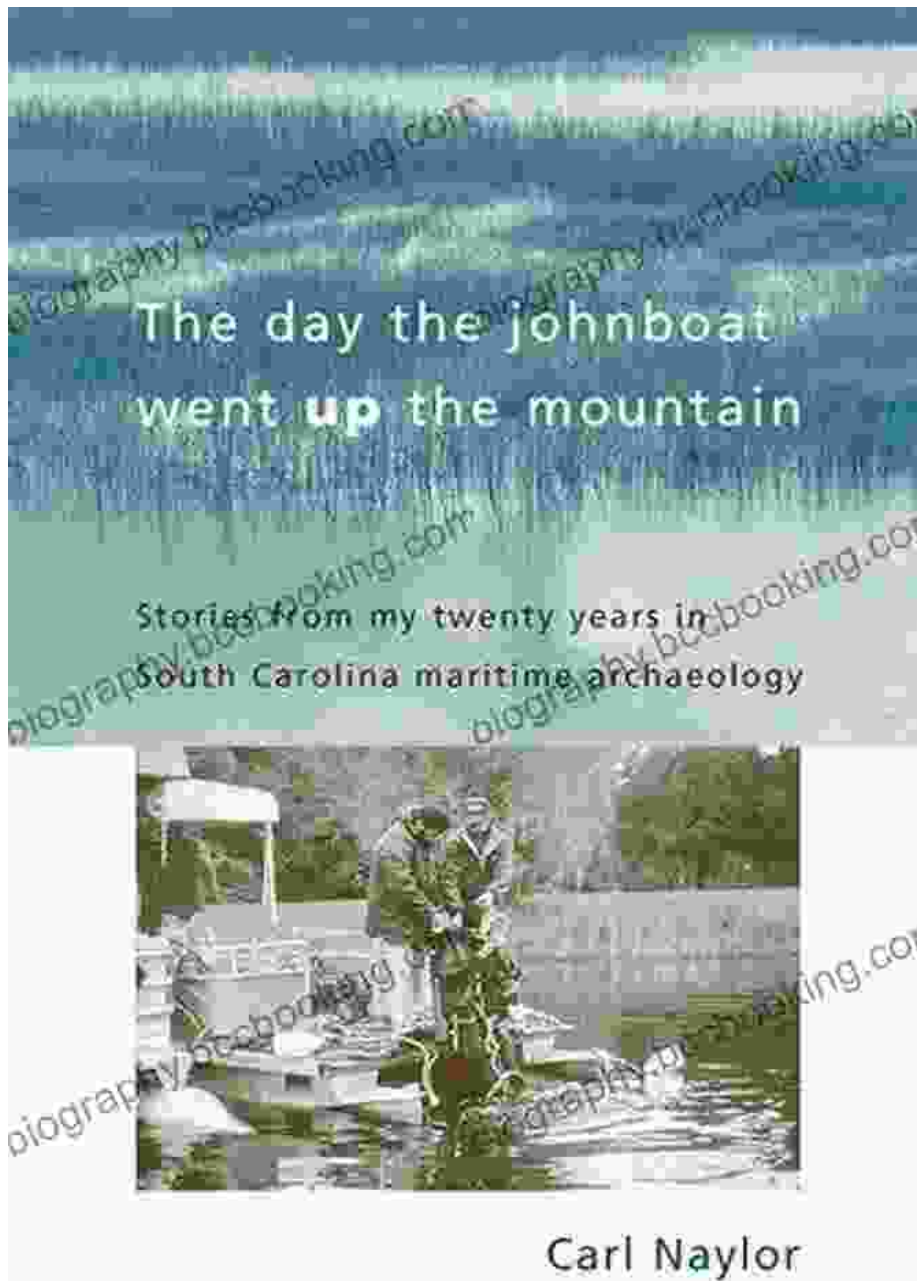

Beyond the thrill of discovery, this book delves into the captivating mysteries that lie beneath the waves. Explore the enigmatic disappearance of a Confederate submarine, unravel the secrets of a sunken Spanish galleon, and ponder the fate of those who sailed these treacherous waters centuries ago.

A Legacy of Coastal Heritage

South Carolina maritime archaeology is more than just the study of shipwrecks; it's a journey through time that connects us to our coastal heritage.

Discover how archaeological research has reshaped our understanding of the state's maritime trade, naval warfare, and the lives of those who lived and worked on the shores of the Atlantic.

An Indispensable Guide to Maritime History

Whether you're a seasoned diver, a history enthusiast, or simply curious about the hidden treasures beneath the sea, "Stories From My Twenty Years In South Carolina Maritime Archaeology" is an indispensable guide to the Palmetto State's rich maritime heritage.

This captivating book offers a unique perspective on the fascinating world of underwater exploration, showcasing the thrill, the discoveries, and the

enduring legacy that has reshaped our understanding of South Carolina's coastal past.
