Jannie Mouton's autobiography, *And Then They Fired Me*, is a must-read for business leaders. It's an inspiring and informative account of her journey from being fired to becoming one of the most successful businesswomen in South Africa.

Mouton was born in 1946 in the small town of Vrede, South Africa. Her father was a farmer and her mother was a teacher. Mouton grew up in a close-knit family and learned the value of hard work and determination from her parents.

Mouton attended the University of Pretoria, where she earned a degree in commerce. After graduating, she worked as an accountant for a number of years before joining the family business, Mouton & Joubert.

In 1980, Mouton was fired from Mouton & Joubert. She was pregnant with her second child at the time, and she was devastated by the news. However, Mouton was not one to give up. She decided to start her own business, and she founded Capitol Access in 1981.

Capitol Access is a microfinance company that provides loans to small businesses in South Africa. Mouton has grown the company into one of the

most successful microfinance companies in the country. Capitol Access has provided loans to over 1 million small businesses, and it has helped to create over 2 million jobs.

Mouton is a role model for women and entrepreneurs around the world. She has shown that anything is possible with hard work and determination. Her story is an inspiration to anyone who has ever been fired or who has ever dreamed of starting their own business.

In her book, *And Then They Fired Me*, Mouton shares her insights on:

- The importance of resilience
- The power of perseverance
- The value of networking
- The importance of giving back

And Then They Fired Me is a valuable resource for business leaders of all levels. It's a book that will inspire you to never give up on your dreams, no matter what obstacles you face.
