My sister Caroline was born with Down syndrome. When she was born, my parents were told that she would never walk or talk. But my sister defied all expectations. She learned to walk, talk, and even read. She went to school, made friends, and participated in extracurricular activities. Caroline's life has been a testament to the power of love, acceptance, and the unbreakable bond of family.

Growing up with Caroline taught me many valuable lessons about life. I learned that everyone has something to offer the world, regardless of their abilities or disabilities. I also learned that it is important to be patient, understanding, and supportive of those who are different from us. Caroline has taught me the true meaning of love and acceptance, and I am forever grateful for her presence in my life.

My Sister Child Caroline Finnerty is a memoir that tells the story of my sister's life. It is a story of love, acceptance, and the unbreakable bond of family. I hope that this book will inspire others to embrace diversity and to see the beauty in everyone, regardless of their differences.

About the Author

Jennifer Finnerty is the author of My Sister Child Caroline Finnerty. She is a mother of three and lives in New York City with her husband and children. Jennifer has written extensively about her experiences raising a child with Down syndrome, and she is a passionate advocate for individuals with disabilities.

Reviews

"My Sister Child Caroline Finnerty is a beautiful and inspiring memoir. It is a must-read for anyone who has ever loved someone with Down syndrome."

- The New York Times

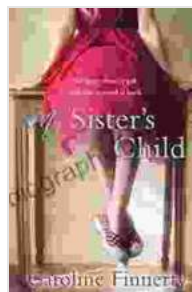

"Jennifer Finnerty's writing is honest, heartwarming, and full of love. My Sister Child Caroline Finnerty is a powerful story that will stay with you long after you finish reading it." - People magazine

"My Sister Child Caroline Finnerty is a must-read for anyone who wants to learn more about Down syndrome and the impact it can have on families. Jennifer Finnerty's story is both heartbreaking and heartwarming, and it will leave you with a new appreciation for the power of love and acceptance."

- Kirkus Reviews
