Caitlin Mullen's memoir, *Please See Us*, is a groundbreaking work that offers a unique and deeply personal perspective on the world of disability. Through her own experiences and those of others, Mullen shines a light on the challenges and triumphs of living with a disability.

Mullen was born with cerebral palsy, a condition that affects her movement and speech. She has spent her entire life navigating the world from a

wheelchair, and she has faced countless barriers and prejudices along the way. But Mullen has never let her disability define her. She is a successful writer, speaker, and advocate for disability rights.

In *Please See Us*, Mullen shares her story with honesty, humor, and insight. She writes about the challenges of dating, finding work, and simply being seen as a whole person. She also explores the complex and often contradictory nature of disability identity. Mullen is proud of her disability, but she also recognizes the ways in which it has shaped her life.

Please See Us is a powerful and moving memoir that will change the way you think about disability. It is a must-read for anyone who wants to understand the experiences of people with disabilities and create a more inclusive world.
