Meet the Visionary Authors

Synth features an esteemed roster of acclaimed sci-fi authors who have crafted tales that will resonate long after you finish reading. From the chilling narratives of Laird Barron and John Shirley to the haunting prose of Kim Fu and M. Rickert, each author brings their unique voice and perspective to this anthology.

Prepare to encounter enigmatic AI, rogue androids, and twisted experiments that challenge the very fabric of society. As you delve into these stories, you will question your own assumptions about humanity, technology, and the inevitable consequences of our actions.

Immerse Yourself in a World of Shadow and Light

The stories in Synth are not for the faint of heart. They confront the darker aspects of our nature and reveal the lurking dangers that lie just beneath the surface of our technological advancements. Yet, amidst the darkness, there are also glimmers of hope and redemption. These stories remind us that even in the face of adversity, the human spirit can endure.

Reviews that Evoke the Enigmatic Nature

"Synth is a masterpiece of dark sci-fi, a haunting and thought-provoking collection that will leave you reeling long after you finish reading." -

Publishers Weekly

"These stories are not just dark; they are utterly terrifying. They explore the darkest corners of our minds and the deepest recesses of our technology, and they leave you questioning everything you thought you knew." - Kirkus Reviews

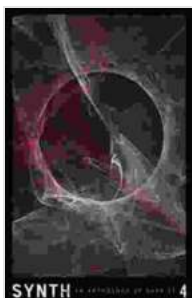

"Synth is essential reading for any fan of sci-fi or dark fiction. It is a tour de force of the genre, and it will stay with you long after you finish reading." - NPR

Exclusive Content and Behind-the-Scenes Insights

In addition to the gripping tales, Synth also includes exclusive bonus content and behind-the-scenes insights from the authors. Dive deeper into the creative process, learn about the inspirations behind these haunting stories, and gain a glimpse into the minds of the visionary writers who brought them to life.
