The New Social Story Revised and Expanded 10th Anniversary Edition is the definitive guide to using social stories to help children with autism spectrum disorder understand and navigate social situations. Written by renowned autism expert Carol Gray, this comprehensive resource has been updated and expanded to reflect the latest research and best practices.

## What is a Social Story?

A social story is a short, personalized story that describes a specific social situation in a way that is easy for children with ASD to understand. Social

stories can help children learn how to behave appropriately in a variety of settings, such as school, home, and the community.

Social stories are typically written in the first person and use simple language and concrete examples. They often include pictures or other visual cues to help children visualize the situation.

## **How Can Social Stories Help Children with Autism?**

Social stories can help children with autism in a number of ways, including:

- Improving social understanding
- Reducing anxiety and stress
- Increasing communication skills
- Improving behavior
- Promoting independence

## **What's New in the 10th Anniversary Edition?**

The New Social Story Revised and Expanded 10th Anniversary Edition includes a number of new features, including:

- Updated research and best practices
- New social stories on a variety of topics
- Revised and expanded sections on writing and using social stories
- A new chapter on using social stories with children who have significant cognitive challenges

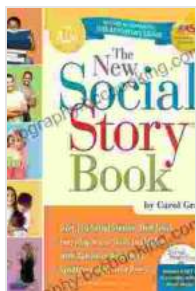

## Who Should Read This Book?

The New Social Story Revised and Expanded 10th Anniversary Edition is a valuable resource for anyone who works with children with autism, including:

- Parents
- Teachers
- Therapists
- Social workers
- Anyone else who wants to help children with autism succeed

The New Social Story Revised and Expanded 10th Anniversary Edition is an essential resource for anyone who wants to help children with autism understand and navigate social situations. This comprehensive guide provides everything you need to know about writing and using social stories, including updated research and best practices. With this book, you can help children with autism develop the social skills they need to succeed in school, at home, and in the community.
