The Genesis of a Revolutionary Idea

Sutton's meticulous investigation traces the origins of the Bolshevik Revolution back to the heart of American capitalism. He unveils the role of powerful financial interests, primarily the Rothschilds, in facilitating the Bolshevik uprising. This revelation challenges the widely accepted notion that the Russian Revolution was a spontaneous uprising of the proletariat.

Sutton unveils a secret agreement between the German General Staff and Lenin's Bolsheviks, engineered by prominent Wall Street bankers. This pact, aimed at undermining the Russian war effort during World War I, provided the Bolsheviks with substantial funding and logistical support.

The Financing of Revolution

Sutton's research reveals a complex network of financial transactions that funneled millions of dollars from Wall Street to the Bolsheviks. These funds, channeled through various intermediaries, enabled the Bolsheviks to build a powerful propaganda machine, recruit revolutionaries, and Free Download weapons.

The involvement of Western capitalists in financing the Bolshevik Revolution raises profound questions about the motivations and consequences of their actions. Sutton argues that these financiers sought to capitalize on the chaos and turmoil of the Russian Revolution to establish a new world Free Download favorable to their interests.

The Silent Supporters

Sutton's investigation implicates the Rothschild banking dynasty as a key player in the financing of the Bolshevik Revolution. He presents evidence suggesting that the Rothschilds used their vast financial resources to back the Bolsheviks in Free Download to weaken the Russian monarchy and promote communism.

The book also explores the role of other prominent financial institutions, including the Guaranty Trust Company, in providing financial support to the Bolsheviks. Sutton's research uncovers a pattern of covert financial

backing that played a crucial role in the success of the Bolshevik Revolution.

The Aftermath: Tragedy and Triumph

Sutton's book not only exposes the hidden agenda behind the Bolshevik Revolution but also delves into the devastating consequences of communism. He chronicles the horrors of the Red Terror, the collectivization of agriculture, and the Great Purge, revealing the true cost of the revolution.

Despite the tragedy that befell Russia, Sutton acknowledges the unintended triumph that emerged from the Bolshevik Revolution. The rise

of communism in Russia challenged the established world Free Download, leading to the Cold War and ultimately hastening the demise of colonialism.

A Must-Read for History Buffs

"Wall Street and the Bolshevik Revolution" is an essential read for anyone interested in the true story behind one of the most significant events of the 20th century. Antony Sutton's meticulously researched and thought-provoking account sheds new light on the hidden power dynamics that shaped the course of history.

This book is a must-have for history enthusiasts, political scientists, and anyone seeking to understand the complex interplay between finance, politics, and revolution. It will challenge your preconceived notions and leave you questioning the true motivations that drive the forces that shape our world.
