In his inspiring memoir, *Was Right On Time*, author John Smith shares his personal journey of overcoming adversity, finding faith, and discovering his true purpose in life.

John's story begins in a small town in the Midwest. He was raised by a single mother who worked hard to provide for her family. John was a bright and curious child, but he struggled with shyness and a lack of self-confidence. As he got older, John's struggles continued. He was bullied by his peers and had difficulty fitting in. He also struggled with depression and anxiety.

Despite his challenges, John never gave up on his dreams. He worked hard in school and eventually earned a scholarship to college. In college, John began to explore his faith. He attended church regularly and found himself drawn to the teachings of Jesus Christ. John's faith gave him

strength and hope, and it helped him to overcome his depression and anxiety.

After college, John moved to a big city to pursue his career. He worked hard and eventually achieved success in his field. However, John still felt like something was missing in his life. He longed for a deeper sense of purpose and fulfillment.

One day, John was reading the Bible when he came across a passage that changed his life. The passage said, "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." (Jeremiah 29:11)

This passage spoke to John's heart. He realized that God had a plan for his life, and that he was right on time.

John decided to follow his heart and pursue his passion for writing. He quit his job and began writing full-time. He wrote about his experiences, his faith, and his hopes for the future. John's writing was honest, heartfelt, and inspiring. He soon gained a following of readers who were touched by his words.

Was Right On Time is John's story of triumph over adversity. It is a story of faith, hope, and the power of the human spirit. John's story is a reminder that no matter what challenges we face, we can always find strength and hope within ourselves.

Reviews
