Fisher is brutally honest about her experiences, and she doesn't shy away from the dark moments in her life. She writes about her struggles with bipolar disorder, her addiction to drugs and alcohol, and her failed relationships.

But Fisher also writes about the good times in her life. She shares her memories of growing up in Hollywood, her experiences on the set of Star Wars, and her close relationships with her friends and family.

Wishful Drinking is a funny, heartbreaking, and ultimately inspiring memoir. It's a must-read for anyone who is interested in Carrie Fisher's life and career, or for anyone who has ever struggled with mental illness or addiction.

Carrie Fisher's Life and Career

Carrie Fisher was born in Los Angeles, California, on October 21, 1956. Her parents were actress Debbie Reynolds and singer Eddie Fisher. Fisher made her acting debut at the age of 15 in the film Shampoo. She went on to star in a number of films, including Star Wars, The Blues Brothers, and When Harry Met Sally.

In addition to her acting career, Fisher was also a successful writer. She wrote several novels, including Postcards from the Edge and The Best Awful There Is. She also wrote the screenplay for the film Star Wars: The Force Awakens.

Fisher died on December 27, 2016, at the age of 60. She died from a heart attack caused by sleep apnea and other factors.

Wishful Drinking: The One-Woman Show

In 2006, Fisher wrote and performed a one-woman show called Wishful Drinking. The show was a critical and commercial success, and it ran for over a year on Broadway.

In Wishful Drinking, Fisher shared her personal experiences with mental illness, addiction, and relationships. She used humor and self-deprecating wit to tell her story, and she connected with audiences on a deep level.

The success of Wishful Drinking led to the publication of the book of the same name in 2008. The book was also a critical and commercial success, and it has been translated into over 20 languages.

Carrie Fisher's Legacy

Carrie Fisher was a talented actress, writer, and performer. She was also a mental health advocate and a role model for people who struggle with addiction and mental illness.

Fisher's work has touched the lives of millions of people around the world. Her memoir, *Wishful Drinking*, is a powerful and inspiring story of resilience and hope.

Carrie Fisher's legacy will live on through her work and her impact on the world.
